San Diego B+ My take: I thought San Diego got good value,nfl stitched jerseys, but frankly,seahawks new uniforms, I liked Kansas City's and Denver's drafts better. I thought those two teams got great value and each team grabbed several impact players. No knock on the Chargers' draft,blank hockey jersey,MLB

Jersey, but I don't think it was the best in the division. Denver B My take: I would have given Denver a slightly higher grade. Denver didn't address every need, Cubs Jerseys, kentucky basketball jersey, but this was a team with gaping holes all over the roster. It drafted five likely instant starters and it stayed true to its board. Denver came away with impressive talent on all three days of the draft. Kansas City C+ My take: Kiper knows more about this deal than I ever will. But I respectfully disagree with this call. Kansas City nailed it on all three days. This young roster just got more dangerous. I think it a Grade-A draft. Oakland C+ My take: I have a difficult time seeing how Kansas City and Oakland got the same grade. Oakland did OK and it got players it wanted. But Oakland's draft is thinner than the Chiefs' draft and this class will likely make less than an immediate impact. I didn't hate this draft and it is in the C-range, nike jerseys, but the biggest problem I have is it getting the same grade as the Chiefs. Meanwhile, custom nfl football jerseys, in an Insider piece , nfl jersey wholesale, Todd McShay breaks down his favorite and most questionable draft call for each team.
